# Add an Article Template

To add a new article template

- Click on the **Articles** menu
- Choose the **Article Template** tab
- Click on **Add New.**

Once you are on the article screen you must complete the following sections:

- Add a **Title**. This is the name of the template.
- Set up your template in the **Template** editing box.

The following items are optional:

- You can include a template **key** to use to easily identify the template when including it in articles
- You can add a **description** to explain what the template is used for
- You can speficy whether the template can be used by marking it **active**. If you don't mark the template as active, then authors cannot use it in their articles.

Once your article is complete

- Click **Save**.
