

How can I upgrade to higher level license?

You can upgrade to a higher level license at any time without penalty by paying the difference between licenses.

To upgrade to higher level license

1. Login to your [Client Area](#)
2. Go to **My Licenses** tab
3. Select the license you want to extend support and upgrade on
4. In the **Actions** section under **Upgrade license to** select license you want to upgrade to and click **Upgrade** button
5. This takes you to the KBPublisher purchase page where you can purchase an upgrade

Actions

| | |
|------------------------------------|---|
| Extend Support and Upgrade period: | Extend |
| Buy Export Plugin: | Buy Now |
| Upgrade license to: | Upgrade KBPublisher license from Basic to Small-Biz - \$199.99 <input type="button" value="Upgrade"/> |
