How can I upgrade to higher level license?

You can upgrade to a higher level license at any time without penalty by paying the difference between licenses.

To upgrade to higher level license

1. Login to your Client Area
2. Go to **My Licenses** tab
3. Select the license you want to extend support and upgrade on
4. In the **Actions** section under **Upgrade license to** select license you want to upgrade to and click **Upgrade** button
5. This takes you to the KBPublisher purchase page where you can purchase an upgrade
