

Mobile View

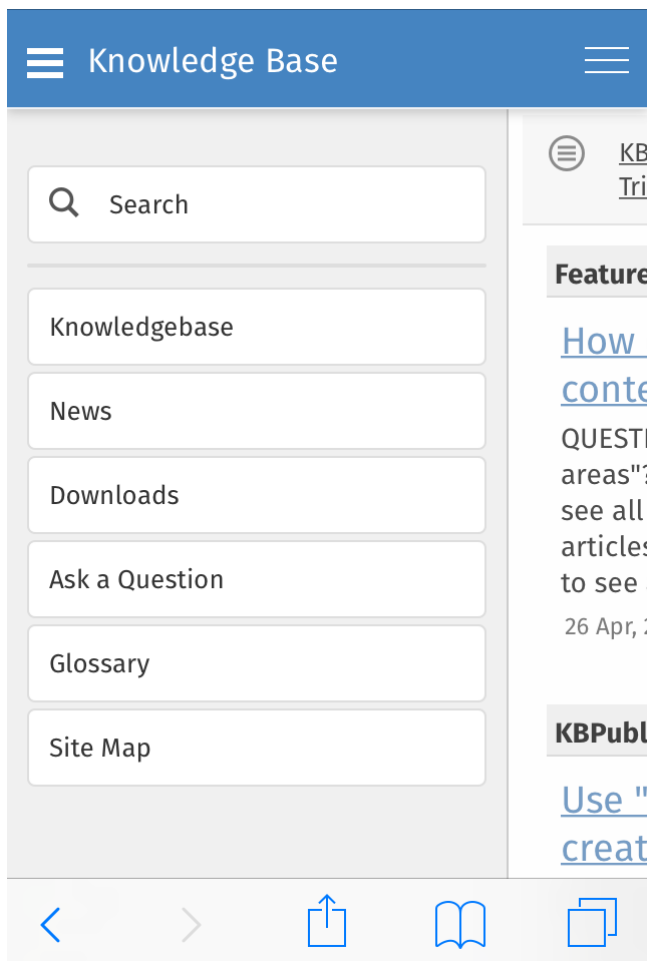

Mobile View is specially optimized working with KBPublisher on your mobile devices - smartphone or tablet. All news and articles are shown as a list to simplify access. Mobile View is enabled for Public Area only.

Some screenshots below.

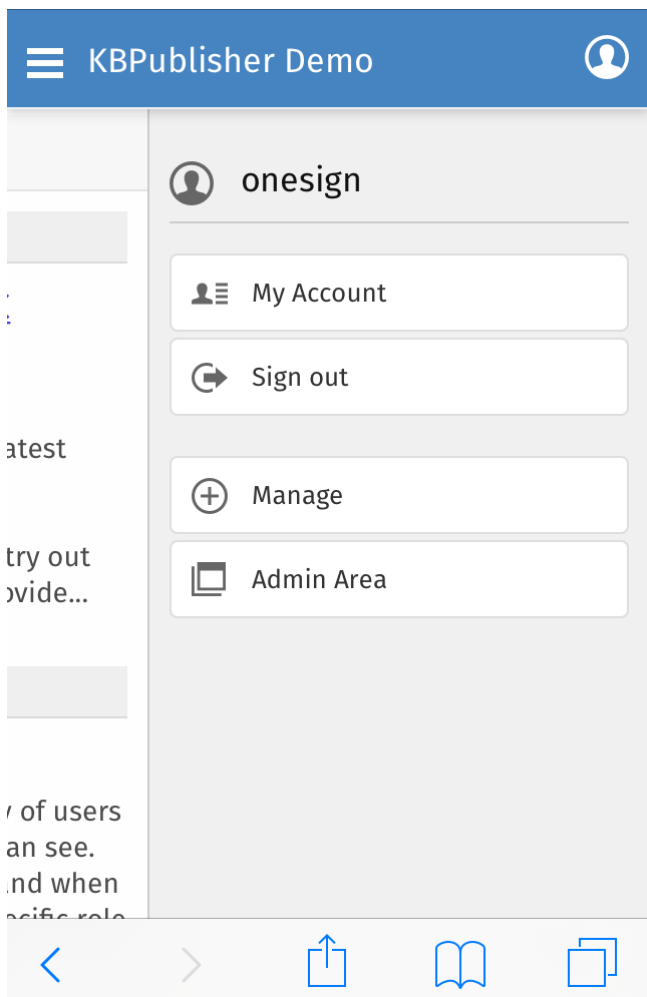

The KBPublisher home page has two banners for navigation and to manage your account: News and Recent Articles.

Main menu opens by clicking on **Options (hotdog)** button. You can choose any module or return to home page.

Settings opens by clicking on **User** button.
You can switch to the full view or go to your account.
