

Subscriptions

Subscriptions allow you to be notified when:

- A single article is changed
- Any article in a specified category is changed, or when new articles are added to the category
- A single file is changed
- Any file in a specified category is changed, or when new files are added to the category
- News is added or changed
- A comment has been added to an article or file.

When you set up a subscription for a specified item or category, then KBPublisher sends you an email when that file or category is changed.

You can see what you have subscribed to on the **Subscriptions** tab under **My Account**.
