

Tags in Public Area

The 3 uses of tags in the Public Area

- While viewing an article you can see all assigned tags below an article.
Click on a tag to display all articles with this tag. This function is the same for the News section.
- The **Tags** section will list all tags.
Click a tag to be redirected to search section displaying all articles with this tag.
- In Advanced Search you can search the knowledgebase by tags.
 - Type keywords in **Keywords** field, you can type several keywords separated by comma
 - In **Search In** choose **Articles (tags, keywords)** or **Files (tags, keywords)** or **News (tags, keywords)**
 - Click **Search** and KBPublisher will search in articles, files, or news respectively.
