

User Activities

The **Activities** tab lets you view activity on your site related to a specific user. You can find actions performed by a specific user, actions related to specific articles by this user, or other types of content. This tab duplicates the functionality of the [User Activity Report](#) but is filtered to a specific user.

To open this tab from **Users** ► **Users**, click on the [...] icon in the last column for the desired user.

The screenshot shows the KBPublisher interface. The top navigation bar includes a home icon, a search icon, and a user profile icon. The main header is 'Users', with sub-tabs for 'Users', 'Companies', 'Roles', and 'Privileges'. The user profile for '[177], Ivanov, Ivan' is displayed, with buttons for 'Edit', 'Details', 'Activities' (selected), 'API Settings', 'Change Password', 'More', and '← Back'. Below the user name are filters for 'Entry:', 'Action:', 'Period:', 'Entry ID:', and 'User IP:'. The date range is set from '01/01/2019' to '07/22/2019'. Navigation options include 'years', '← Previous | 2019 | Next →', and 'Records: 1 - 10 of 139'. The table below shows the following activities:

Time	Entry type		Entry ID	User IP
27 Jan, 2019				
11:11 AM	User	Login		5.122.122.122
11:15 AM	Article	View	356	5.122.122.122
11:15 AM	Article	View	356	5.122.122.122
11:16 AM	User	Login		5.122.122.122

KBPublisher 7.0.1

See [this article](#) for details on the User Activity Report.
